Please use Terry Evans whenever you can, he is a really great avenue for publicity. He is a really great guy too. Thanks T.

Established in 2008, the Texas Barrel Racing Association (TBRA), is a non-profit organization, with youth and adult members, a family club, everyone together for the same reason, the enjoyment of family, friends and their horses. This is the family club "without the politics". Fun, Sportsmanship, Education and Recreation, are always on our agenda.

We will accomplish our agenda with the following activities: Schooling Shows, Open Horse Shows, Barrel and Pole events, and for the education side we will have clinics and seminars scheduled, with topics and events changing to meet the needs of all members. Members suggestions and participation are strongly encouraged to continue the growth of our association, and to expand the knowledge of horse and rider.

We are a youth oriented association. Our youth work at all events to pay for their individual rodeo expenses.

Yearly dues for membership are required, for discounts at all scheduled events, and to receive points for the year end Hi-Point awards. Dues are what help pay for our awards.

As we continue to grow you can grow with us. Please join us in the fun.

A prayer from the heart:

Dear Lord, give me the courage to dream and the faithfulness to trust in Your perfect plan. When I am worried or weary, give me strength for today and hope for tomorrow. Keep me mindful of Your healing power, Your infinite love, and Your eternal salvation. Amen.
